

## SECRET RABBIT BURROW

Peter and his friends live in cosy rabbit burrows and you could make your own burrow at home, too.

Try draping a big blanket across four chairs and burrowing underneath with your friends. If you're feeling especially brave, you could even try and make a burrow outside!

Don't forget: every secret hiding place needs secret snacks. Ask a grown-up to help you prepare some juicy radishes or crunchy carrots to share with your best friends in your burrow.

### EARN THIS BADGE

for completing this challenge.

Well done! You have made a secret den.

Ask a grown-up to cut out the IMAGINATION badge and add it to your badge collection.
